

Scale of Charges

**of the Standards Commission for Straight Feeding Stuffs
of the Central Committee of the German Agriculture from
7 June, 2010
Amended 29 May, 2018**

The Standards Commission charges for the processing of applications for the admission of a product in the positive list according to the applicable scale of charges determined by the Central Committee of German Agriculture on 9 March, 2010.

For the processing of applications for admission of a product in the German positive list the Standards Commission charges the following fees as a pro rata of their expenditures.

New application of a product	500.00 € plus VAT
Amendment/updating of a listed product	250.00 € plus VAT

With the confirmation of receipt for the application the applicant gets an invoice about the charge to be paid.

The processing fee is charged regardless of the case of success. Applications for which the by the Standards Committee requested documents have not been submitted within 6 months will be considered as completed.
